Good morning Everyone,
I hope everyone had a joyful holiday. As a reminder, the department will be starting its examinations/audits of professional bondsman, surety bondsman and insurers. Please make sure your records are in order.

Note: I will begin my desk review on professional bondsmen starting Monday, January 6th. Please make sure you are reporting all **pending** bonds written in the municipal, magistrate, circuit and/or federal courts. In addition, make sure you follow up with your runners who is executing bail bonds on your behalf. Failure to report all pending bonds will not be tolerated.

Thanks.
